THE GREAT FAMILY MEDICINE

Thedford's Black-Draught comes nearer regulating the entire system and keeping the body in health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhoea, and stomach aches.

Thedford's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently summon the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 23, 1902. Thedford's Black-Draught has been our family doctor for five years and we want no other. When any of us feel badly we take a dose and are all right in twelve hours. We have spent lots of money for doctor bills, but not along just as well with Black-Draught. IMA H. HADDER.

Ask your dealer for a package of Thedford's Black-Draught and if he does not keep it send 50c to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed to you.

I am now Selling Out all my Well Located

Butler & Iron Co., Mo., Properties

AT GREATLY SACRIFICED PRICES AND ON EASY TERMS.
My properties in Butler County consist of many vacant and some nicely improved lots in Poplar Bluff and Haryviell, one Two-Story 22-Room Hotel, one Saloon Building, and one Store Building, located between Frisco and St. L. I. M. & S. stations in the town of Haryviell; also Wild Lands and numerous Farms, in tracts of 40 acres and up. My farm lands, both up-lands and bottoms, have a fertile soil well adapted to the growth of clover and other grasses, also wheat, oats, corn and potatoes, as well as all other farm products raised in South east Missouri. They are all located within one-half to six miles of town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the Frisco system, some of them adjoining the right of way of each railroad. They are situated in good healthy settlements, within easy reach of school houses and churches, and the best of water being accessible at minimum cost. I have lived in Butler county over a quarter of a century enjoying good health and prosperity, and during these years I have had chances to select the garden spots of the county. I am also offering for sale several improved and a number of vacant lots and a Three-Story 25-Room Hotel in the beautiful Arcadia Valley, all located in Arcadia, Iron County, Mo. The only hotel in the town, and is just a few steps from the railroad station and has a good patronage. My motive for selling is my desire to retire from business, and will not therefore hesitate to give any one wishing to invest a good bargain on any of the above properties.

This Institution is designed and constructed for the comfort and accommodation of patients who seek relief and recuperation and the recovery of lost health. Its location is admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St. Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embowered among majestic trees, just off the main street, and free from its noise and dust, and alongside, and connected with, the famed Emerson Park, with its shady walks and drive-ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beautiful or restful retreat for the invalid and convalescent, or the weary and careworn, can be found in all America.
